2017 WOMA Fall Seminar Speakers

Ed Bilsky, PhD

Dr. Ed Bilsky holds his PhD in Pharmacology & Toxicology. He is a Professor of Pharmacology as well as a former Director of the Center for Excellence in the Neurosciences at the University of New England. He has received over 4.8 million dollars in extramural funding to conduct translational research in the areas of pain management and addiction and has published over 58 peer-reviewed publications in leading pharmacology journals.

Michael Harris, PhD

Dr. Michael Harris received his Ph.D. in Clinical Psychology from Washington State University. He has been a Licensed Psychologist since 1983. He joined the Pacific Rehabilitation Centers interdisciplinary medical rehabilitation staff in 1991 as a psychologist and is currently the Chief Operations Officer, Clinical Director, and Director of Outcomes. He also serves as an officer on the Pacific Rehabilitation Centers Board of Directors.
Dr. Harris' experience, research, training and lecturing covers a varied range within Behavior Medicine and has an emphasis on interdisciplinary treatments of individuals with chronic pain and other disabling biopsychosocial conditions.

Lynda Williamson, DO

Dr. Lynda Williamson is a graduate of the University of New England College of Osteopathic Medicine and the University of Massachusetts Residency in Family Medicine. She has a sub-specialty in chronic pain management and has been a speaker on topics in Osteopathic Medicine and Chronic Pain Management for the past decade. She has served as Regional Dean & Adjunct Clinical Faculty for the Pacific Northwest University-College of Osteopathic Medicine.

Roger Chou, MD

Dr. Roger Chou is a Professor in the Department of Medicine at Oregon Health & Science University and Director of the Pacific Northwest Evidence-based Practice Center. He has led systematic reviews and led or participated in development of guidelines for many groups, including the Agency for Healthcare Research and Quality, NIH, CDC, the American College of Physicians, and the Cochrane Collaboration, and others. He was lead author of the 2009 American Pain Society/American Academy Pain Medicine guideline on opioids for chronic pain and led the systematic review and was a lead author on the 2016 CDC guideline on opioids for chronic pain.

James Keene, DO

Dr. James R. Keene, Interim Department Chair and Associate Professor of Osteopathic Principles & Practice at PNWU, earned a Ph.D. in Physiology from Southern Illinois University, a D.O. degree from University of Osteopathic Medicine and Health Sciences, and completed his Family Medicine Residency at the Mayo Graduate School of Medicine. He spent 7.5 years in the Middle East and Africa and practiced Osteopathic Manipulative Treatment in Sunnyside and Kennewick.

Steven Stanos, DO

Dr. Steven Stanos is a Physiatrist and Medical Director of Pain Medicine Services & Occupational Medicine Services at Swedish Medical Group. He was a consultant to the CDC Opioid Guideline work group in the development of the 2016 guidelines and a panel member of the National Pain Strategy DHHS.
