2019 Jurisdiction M (JM) Home Health & Hospice Medicare Workshop Series

ABOUT THIS WORKSHOP

Palmetto GBA is pleased to announce our 2019 Home Health and Hospice workshop series. These workshops are designed for home health and hospice providers and their staff to equip them with the tools they need to be successful with Medicare billing, coverage and documentation requirements.

These workshops will provide insight for home health and hospice agency staff at all levels. During the workshop series, Palmetto GBA will provide information related to the most common errors identified through a variety of data analysis and some hints and tips on the reasons why these errors occur. Palmetto GBA's ultimate goal is to have educated and astute providers who know how to accurately and skillfully apply the information they learn to their documentation and billing practices!
