Overview

Home Health Revenue Cycle 2022 & Beyond

2022 has already brought about some significant concerns with the Notice of Admission and its proper processing. This session will take you through where we are today with the NOA and what agencies need to do to ensure they are timely.

In addition, this session will look at the entire process of the Home Health Revenue Cycle from Intake through the Collections of the payment.

You need your revenue cycle team members involved. All of them, not just the billers.
