## Pre-Med Student Mentor Request

The Washington Osteopathic Medical Association is hosting a mentoring program to provide an opportunity for matching pre-med students to an osteopathic medical student mentor. All contact is done by email. If possible, you will be matched with an osteopathic medical student from your hometown or with the same career goal. Depending on the number of available mentors, it may take some time for you to be contacted.

**Please return this form to WOMA by email to [hgriffin@woma.org](mailto:hgriffin@woma.org) or mail to  
PO Box 1187 Gig Harbor, WA 98335 (email preferred)**

**PLEASE PRINT CLEARLY**
