2012 Palmetto GBA Home Health Workshop Series

ABOUT THIS WORKSHOP

Palmetto GBA is pleased to announce the 2012 Palmetto GBA Home Health workshop series. This series is designed for home health providers, billers, administrative staff and clinicians to equip them with the tools they need to be successful with Medicare billing and documentation.

This workshop series is recommended for home health providers, administrators, billers, nurses and other healthcare professionals that submit claims to Medicare. This workshop will provide insight for new, intermediate or advanced staff; however, we suggest that providers who are new to Medicare attend online learning courses for beginners.
