## Premed Mentor Registration

WOMA has developed a mentor program for pre-med students to be matched to osteopathic medical students. If you are an osteopathic medical student and would like to serve as a mentor, please provide the information requested below. The information will be used to match you to a pre-med student with a similar background and/or interest when possible. We will then email the mentor and mentee so they can correspond by email.

If you signed up last year and already have a student, do not register again unless you want another student or your contact information has changed.

Please return this form to WOMA, PO Box 16486, Seattle, WA 98116-0486 or fax to (206) 933-6529.
