Blueprint for OASIS Accuracy Two Day Workshop

Workshop Presenters:

Linda Krulish, PT, MHS, COS-C, a physical therapist in home care since 1988, serves as a consultant to the Centers for Medicare & Medicaid Services (CMS) and its contractors, assisting in quality improvement measures and initiatives, PPS-models analysis and enhancement, refinement of the OASIS data set and resulting measures, and development of related support and training materials. Currently she oversees the contract managing the national CMS OASIS Q&A Mailbox and overseeing the annual training of the state OASIS Education Coordinators. She is the President and a Founding Member of the OASIS Certificate and Competency Board (OCCB). Linda is President and Founder of OASIS ANSWERS, Inc.

Annette Lee, RN, MS, HCS-D, COS-C is a registered nurse practicing since 1990, with the majority of her nursing experience in home health care. In 2000, she joined the home health intermediary Cahaba GBA medical review and appeals unit reviewing home health documentation. Annette also focused on medical review, appeals and provider outreach and education. She has extensive experience providing education to home health providers on Medicare reimbursement issues and effective documentation strategies. Her broad experiences make her uniquely able to provide practical solutions to meet the requirements of the fiscal intermediary system and medical review within the “real world” environment of home health. She presents nationally on OASIS, PPS, documentation and coverage and provides content expertise to the CMS OASIS Q&A Mailbox.

Educational Goals:

Blueprint for OASIS Accuracy: This 2-day, 13 hour workshop is highly focused on the OASIS-C data collection rules. These rules continue to evolve, and "Blueprint" keeps you up to date, always providing the key source resources and source documents which you can rely upon after the workshop. Empowering staff with defensible OASIS scoring practices provides your agency with the winning outcomes and proper reimbursement you deserve to provide quality care. All sessions are presented by two expert instructors who have earned the Certificate for OASIS Specialist – Clinical (COS-C) designation. The Blueprint for OASIS Accuracy program serves as the premier review workshop for the COS-C exam, and is offered exclusively through OASIS Answers, Inc. – the industry leader in OASIS Education.

This 2-day 13 contact hour workshop is designed:

- To support the educational needs of home health clinicians in achieving comprehension and accuracy in OASIS data collection using guidelines established by the Centers for Medicare & Medicaid Services (CMS)
- To provide a preparatory review for candidates for the COS-C (Certificate for OASIS Specialist - Clinical) examination.
- To supply you with the knowledge and tools necessary to boost your confidence and improve your foundation of data precision.

CONTACT HOURS WILL BE PROVIDED

“The HomeCare Association of Louisiana is an approved provider of continuing nursing education by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission of Accreditation.” Number of credits 13 hours
