Coming to a KTA Chapter near you: 2018 April Truck Safety Inspections

KTA's Risk & Safety Management Council, members from our Chapter cities and our friends from Commercial Vehicle Enforcement/Kentucky State Police will be hosting four truck safety inspections in April. This is your opportunity to learn first-hand on how to prepare for roadside inspections. Find out what enforcement is looking for from your company, your trucks and your drivers. Inspection teams will meet at 9:00 am at the scale houses.

The officers from the CVE will be on hand to answer your questions. So please take the time to join us at a scale house near you.....You will be glad you did.
