

American Academy of Attorney-CPAs

Statement on the 2020 Fall Meeting & Education Conference

Members, Sponsors, and Guests of the AAA-CPA,

In light of on-going developments with COVID-19 and after thoughtful discussions with our Meetings Committee and Executive Committee, the American Academy of Attorney-CPAs has decided to move our 2020 Fall Meeting & Education Conference to a fully online, virtual experience. We believe this is the safest approach for the well-being of our members, attendees and sponsors and we are excited that a virtual event makes it possible to offer education opportunities and engagement to a wider audience.

The conference education schedule will be spread over a month with twice weekly programs to ensure that content is delivered in more digestible segments, beginning on Tuesday, November 3 and culminating on Thursday, November 19, 2020. Our Education Committee has developed a plan for over 17 hours of CPE/(M)CLE credit.

Networking is a cornerstone of our conferences for our attendees and we will plan to offer some networking opportunities, including a spouse program, all while attendees connect from the comfort and safety of their home or office.

The full schedule and registration will be available in late September, and we look forward to connecting with you virtually later this fall.
