

YOUR AGENCY'S PURCHASING ABILITY IS NOW EMPOWERED

HCLA is pleased to announce its partnership with Provista, a Supply Chain Solutions Company. With Provista, HCLA Member Agencies can access savings on purchases of just about everything your agency needs to operate and deliver services to its patients. And, best of all, your agency's participation is cost free and commitment free.

Provista provides access to over 1500 contracts featuring the most sought after suppliers who offer many commonly used home health care products and services, including but not limited to:

- Advanced Wound Care
- Ostomy
- Routine Medical Supplies
- Document Destruction
- Staffing
- ICD-10 Education and Coding
- Telehealth Home Monitoring
- Catheter
- Infusion Therapy
- Office Equipment
- Document Storage and Retention
- Auditing
- Telecommunications
- Medical Waste Removal and Disposal

As a Provista customer, your agency will gain the following benefits:

- Ability to capitalize on significant savings to decrease your costs and increase your bottom line
- Flexibility to utilize contracts that are most beneficial to your agency
- Easy enrollment and access to discounts on products and services from 1500+ contracted suppliers
- No cost or commitment required to become a Provista customer
- Contract implementation assistance
- Business reviews and reports
- Employee Savings Programs on a variety of categories
