#### **COURSE DESCRIPTIONS:**

**Expungements:** Now that the massive change in expungement law is a few years old, this class will build on and discuss how to implement and deal with the flow of data related to expungement from demands for return of booking data under Minn. Stat. 299C.11 to responding to requests for expunged data. We will work through forms, checklists and work flows Rick Hodsdon has developed to deal with adult expungement cases. This class is geared to all criminal justice professionals and any other entity that is impacted by adult expungement statutes and case law.
