Catch the Wave: A Pipeline to Knowledge

Register now for NRRDA's 2019 Annual Conference

Wednesday, March 6 to Friday, March 8, 2019
Hilton West Palm Beach, West Palm Beach, Florida

BACK BY POPULAR DEMAND

NRRDA is hosting two evening events at no additional charge for attendees!

Plan on attending the Welcome Reception and dinner on Wednesday, March 6th at the conference hotel, as well as an exciting evening on South Florida's Premier Luxury Yacht Thursday, March 7th.

The NRRDA Annual Conference provides the chance to learn and share information in one place. This year's three-day event is full of educational opportunities on a variety of subjects that range from employment practices, traumatic brain injuries, collaborative defense strategies, creative litigation cost savings and workers' compensation.

Back by popular demand – The Innovative Expert Presentations. Five vendors were chosen from a pool of interested applicants to present their leading edge product or service during Thursday's afternoon General Session. Each presenter will introduce their innovative products, technologies or services that can save money, reduce the number or severity of claims, manage common risks and enhance defense litigated matters in the retail and restaurant industry.

There will be a panel of three people asking the questions, followed by a vote by all attendees for the most Innovative Expert! This will be a fast-paced, fun and exciting session! The winner will be announced Friday, March 8th at the morning General Session.

WHO SHOULD ATTEND?

Risk Managers ~ Loss Prevention Specialists ~ In-House Counsel ~ Corporate Counsel ~ Defense Counsel ~ Claims Managers ~ Third-Party Administrators ~ Litigation Managers ~ Underwriters ~ HR Personnel ~ Insurance Carriers

COME JOIN US IN WEST PALM BEACH, FLORIDA

GOLF OUTING (Optional)

Attention golfers, the 2019 NRRDA golf outing is set for the Palmer Course at the PGA National Resort & Spa on Wednesday, March 6, 2019. Named after its designer, Arnold Palmer, this course is one of the more forgiving at PGA National Resort from tee to fairway, known as a risk/reward game. The open fairways and larger "Champion Bermuda" greens can be quite accommodating and invite players to take a chance if they dare – as golfers are not overly penalized for missing the fairway or primary rough on most holes here. There is a considerable amount of undulation through the fairway, presenting the opportunity for uneven lies and creative shot-making. The Palmer has a great series of finishing holes, with the 18th being one of the most scenic par 5s on the property. Registration for this optional activity includes transportation, greens fee, breakfast and lunch. The shot-gun start begins at 8:30 am. For more information about the course, visit www.pgaresort.com.

SERVICE PROJECT (Optional)

Building upon last year's support, we will volunteer again as a group, **Wednesday, March 6, 2019 from 8:00 am-12:00 pm** at Feeding South Florida Food Bank. This year **we have room for 40 volunteers** who will work at the Boyton Beach warehouse to help feed Palm Beach County. Please sign up with your registration. NRRDA will provide bus transportation from the conference hotel. All volunteers must wear closed toed shoes! If any volunteer is wearing flip flops or sandals, they will not be permitted to work! For more information on the Feeding South Florida Food Bank, visit feedingsouthflorida.org.

DINNER OUTING – Price included in registration fee!

NRRDA will host an exclusive evening, Thursday, March 7th, aboard South Florida's Premier Luxury Yacht! Spanning over 127 feet and containing 4 decks that total up to 18,000 square feet, this dinner cruise will certainly be a night to remember. You will be able to enjoy South Florida's beauty on the covered sky lounge, forward sun deck and two balconies. The spacious top deck offers the best views of the Intracoastal. The interior on the boat is light, modern and airy and will be filled with Palm Beach Vibes provided by our cutting-edge DJ. Crewed by top culinary artists, the cuisine rises to the occasion to match the views. One drink is included followed by a cash bar. Dress code is casual. Welcome Aboard!

A NOTE ABOUT NRRDA EVENTS

As you may have previously experienced, the NRRDA Annual Conference is an inclusive collaborative event that is quite different than other conferences. So we may meet our goal of fostering fun and networking-conducive environment, the NRRDA Board of Directors has requested that no firm or sponsor schedule an event during NRRDA Functions. If you would like to host a gathering at the conclusion of scheduled events (after 9:30 pm on Wednesday, after 9:30 pm on Thursday or after 12:00 pm on Friday), you are certainly welcome to do so. If you plan an event that competes with an official NRRDA function, you will not be allowed to attend the 2020 Annual Conference.

We trust you understand our goal is to create an event that welcomes all participants and encourages interaction among all attendees. If you have any questions, please contact the NRRDA office.

NRRDA NON-MARKETING POLICY

NRRDA offers members educational, resource and networking opportunities to assist in the sharing of knowledge and resources in the defense of the retail and restaurant industries. NRRDA members adhere to a unique policy which prohibits unwanted marketing overtures. NRRDA recognizes that membership will lead to the development of professional business relationships; we will not publish or distribute membership mailing lists or other attendee information. Members overtly marketing their business at a meeting or other function, or through group email to NRRDA members, will be subject to an appropriate response by the Board of Directors and could be subject to membership denial or revocation.

Traumatic Brain Injury or The Eyes Have It?

Over the past 5 years, TBI claims have become one of the fastest growing and most expensive types of personal injury litigation. These days, TBI claims seemingly arise out of every minor accident, and the subjective nature of the claim has made them difficult to defend. During this one hour program, we will introduce the audience to a brand new, ground breaking medical test. This test takes advantage of cutting edge scientific advancement that conclusively identifies objective biomarkers that can prove or disprove the existence of TBI. The attendees will be introduced to Dr. George Gitchel, the Director of Clinical Research for the Parkinson's disease Research Education and Clinical Center, at the Richmond Virginia Department of Veteran's Affairs Medical Center. We will also discuss the test used in the treatment and diagnosis of TBI, and provide some real-life examples of the test's utility and effectiveness. Finally, we will discuss the use and availability of the test in litigation.

BREAKOUT SESSION B – CHOOSE ONE

Attendees may select one of the following breakouts:

1. Employment Practices Law Update / Year in Review

During this session we will bring you up to date on the year's developments and how they may affect your day-to-day operations. Topics may include the #metoo movement and its aftermath, continuing changes within the federal agencies including the EEOC and NLRB, the on-going effect of the Trump Administration on various employment issues, LGBT issues, and what we can expect to see from the Supreme Court and lower courts in the years to come.

Moderator: Burton D. Garland, Jr.; Panelists: Jason Engel; Rand Huguely; Lisa Peterson

2. Anatomy of the Spine!

Attend Medical School NRRDA style! Our doctor will navigate you through the sea of vertebrae, disks, nerve roots and treatment protocols to help you ride your next wave of back injury claims!

Moderator: Matthew C. LaFave, Esq.; Panelist: Arash David Matian, DO

3. Tricks are for Kids – Using Science to Deconstruct Injury Claims

Effective use of forensic engineers, accident reconstruction experts and biomechanical engineers can enable a defendant to deconstruct high-exposure cases. Hear from a seasoned risk manager, defense counsel and technical expert about their experiences getting past Daubert-type challenges, preclusion motions and successfully using science to defeat questionable claims.

Moderator: Scott Bermack

4. How to Deflate the Plaintiff's Inflated Case Value: Effective Strategies to Use in Pre-Suit Investigation and Discovery

We have all had the claim that should settle but it cannot settle without paying a premium. The inability to settle could be due to unnecessary medical treatments, spoliation or improper use of expert testimony. We plan to talk about some strategies in attacking the plaintiff's tactics, including talking about recent updates on medical funding, unreasonable medical expenses and evidence problems.

Panelists: James Hankins; J. Ryan Johnson; Jacqueline Lee

Break

2:50 – 3:50 pm

GENERAL SESSION

Big Verdicts: The Use of Reptile Tactics in Retail/Restaurant Litigation

Furnish litigators with specific information on the growing popularity of Reptile neuro-psychological methods within litigation. Educate litigators about the areas in the life cycle of a case which prove vulnerable to Reptile techniques. Offer useful strategic approaches to overturn sub-cortical manipulation in witness deposition testimony, voir dire, opening statements and witness trial testimony. These strategic approaches derive directly from applied research in witness trainings, mock trials and actual trial settings by utilizing a neuro-psychological perspective of jury behavior. Topics will be addressed from a neuro-psychological and behavioral/cognitive science vantage point, rather than from a legalistic perspective.

Panelists: Bill Kanasky, PhD; Grant Wright
