

IMPORTANT Login Instructions

Enter your primary email address and your password. If you forgot your password, use the forgot password link at the bottom of the Login page.

VVMA Members already have a record in the system.

If you are logging in for the first time: please use the email address the VVMA uses to communicate with you as your log in. The default password is "Password1" (case sensitive). You will then be asked to set a new password. The forgot password link will not work if you have not previously logged on and set a personal password.

If the system does not recognize your email address, do not add a new account to the system. If you recently changed your email address, try logging in with your old address - you can then change your email under Update My Contact Info.

Non-Members/Visitors

If you are a visitor and not a registered user, please use the **New Visitor Registration** to register for the site.

If you run into difficulty logging in, please call the VVMA at 802-878-6888 or email info@vtvets.org
