Join your osteopathic colleagues in Olympia as we discuss healthcare issues that will impact the practice of osteopathic medicine. This is your opportunity to voice your concerns as the Washington State Legislature enacts healthcare reform and other policies that will affect you and your patients.

The day will start at 9:00 a.m. with everyone assembling for instructions on the issues to discuss in your meetings with the legislators and updates on current legislation. Constituent appointments will be made with legislators starting at 10:00 a.m. Participants will meet with legislators, drop off packets of information at the offices of legislators without appointments, provide OMM demonstrations and give free blood pressure checks to the public and legislators. All legislators will be invited to a lunch with our participants hosted by WOMA. Meetings will continue after lunch until 3:00 p.m. Please complete this registration form and **submit to student services by Friday, January 5th** to allow time to schedule appointments.
