## Premed Mentor Registration

WOMA has developed a mentor program for pre-med students to be matched to osteopathic medical students. If you are an osteopathic medical student and would like to serve as a mentor, please provide the information requested below. The information will be used to match you to a pre-med student with a similar background and/or interest when possible. We will then email the mentor and mentee so they can correspond by email.

If you signed up previously and would like another premed student, please submit another form.

Please return this form to WOMA, PO Box 1187, Gig Harbor, WA 98335 or scan and email to [hgriffin@woma.org](mailto:hgriffin@woma.org)
